Ramp from I-65 north to I-80/94 west closed nightly for three weeks

I-80/94 lanes will also have additional lane restrictions

LAKE COUNTY, Ind. – The Indiana Department of Transportation (INDOT) announces the ramp from northbound I-65 to westbound I-80/94 (the Frank Borman Expressway) will be closed from midnight to 5 a.m. Monday through Friday nights July 27 through Aug. 14. This will allow crews to install bridge beams and construct the new I-80/94 over the ramp.

This work is in relation to the \$97 million Major Moves project widening the Borman between State Road 53 (Broadway) and Central Avenue in Lake County.

During the ramp closures, a posted detour will direct traffic to take eastbound I-80/94 to the clover leaf ramps at State Road 51 (Ripley Street) to I-80/94 west. During the same time period, occasional additional lane restrictions will take place in both directions on I-80/94 between Broadway and Central Avenue from 9 p.m. to 5 a.m.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when driving through a highway construction zone. For updated restriction and construction information about this project and the entire Borman Interchange Modification, please visit www.borman.in.gov.
